Dear Families,

We are delighted to announce our new range of after-school clubs for this term. We have worked hard to provide a variety of exciting activities for children across all year groups, giving everyone the opportunity to develop new skills, explore interests, and have fun with their friends.

Some clubs are free of charge, while others have a small cost of £5 for the full 5-week programme. We have limited the number of places available. Children can choose to 3, ensuring all children fair access. Booking forms will be sent out on text, email and appear on our Facebook page.

Puzzles and Jigsaws	A fun way of stretching and working your brain, can you solve the riddle or master that Rubix cube
Sign Language Club	Learn British Sign Language through fun games, activities, and challenges! Children will discover how to communicate using signs, learn everyday words and phrases, and develop confidence while learning a valuable new skill. Everyone is welcome, whether you're a beginner or already know some signs.
Diamond art	Diamond Art club is a fun and relaxing enrichment activity where children can explore their creativity while creating their own colourful and sparkling diamond art designs.
Dance Club	Ever fancied creating your own dance routine? This is your chance to work as a team and create a magical performance we can share with everyone. Pick the music, create the performance, practice – perform! What whacky moves can you come up with?
Christmas Festival	An opportunity to be part of something magical. A singing group that will learn to perform Christmas songs ready for a Christmas Festival in December. Come and be part of Mrs Lake's choir and showcase your skills in front of a live audience. Be ready to work hard and sing harder! Children taking part in this club will have the opportunity to perform at the Winter Gardens on the evening of 9 th December 6.30pm - 8pm. They will form a choir with other local schools to showcase their talents. Parents will be able to attend the performance, tickets will be at an additional cost. The festival is being organised by an outside agency with whom you will need to book tickets through separately. We believe the cost is £10 a ticket to watch the event. Further details to follow.
Christmas craft	We will be making a range of different crafts to decorate our homes at Christmas including wooden Christmas houses, air dry clay tealight holders or tree decorations and Christmas gongs.
Christmas Read and Create Club	Christmas Read and Create Club is an opportunity to read a Christmas picture book and make a small craft to go with it! It's a chance for children to enjoy a variety of stories, be creative and get into the Christmas spirit all at the same time!
Paint by Numbers	Join our fun and creative Paint by Numbers Club! Children will use bright colours to create amazing artwork, build confidence and enjoy a relaxing activity with friends. No experience needed – just come along and discover your inner artist!

National Nurturing
School Award
2024

Places in all clubs will be allocated on a **first come, first served basis**, so we encourage families to complete the form as soon as possible to avoid disappointment.

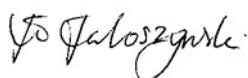

If your child is offered a place in a **paid club**, the £5 charge will be added to your **ParentPay** account. Payment through ParentPay will confirm that you are accepting the allocated place. Please make payment promptly to secure your child's space.

We do not want any child to miss out on these opportunities. If you would like support with the cost of a club, please speak in confidence to your child's class teacher or contact the school office via email.

The forms need to be completed by Monday 2nd Novemeber.

We look forward to seeing the children enjoy the wide range of activities available this term.

Many thanks

Jo Jaloszynski
Headteacher
